 First aid for activity-based environments

Course Overview

The Qualsafe Level 3 Award in the Fundamentals of Outdoor First Aid (RQF) specifically teaches first aid to people who work in roles such as outdoor instructors, sports coaches, primary or secondary teachers or rural visit leaders, where they will have further support from others who will only be a short distance away.

Over 1 extended day, this course prepares learners to manage a range of outdoor first aid situations.

For learners who require a more advanced course, Qualsafe Level 3 Award in Outdoor First Aid (RQF) is also available.
